Our Motto

*"We develop the professional person,
to create the professional athlete."*

PROGRAM OVERVIEW

The SUIT-UP Global Sports Skills Clinics are designed to mentor young athletes through the fundamentals of sports while developing character, discipline, leadership, and essential life skills. Built around three progressive phases, the program identifies potential, develops talent, and measures improvement. Every participant gains a clear understanding of their current abilities, areas for growth, and receives a personalized development plan for continued success both on and off the court.

SUIT-UP GLOBAL SPORTS PHILOSOPHY

At SUIT-UP Global Sports, we believe athletic excellence begins with personal growth. We are committed to developing the whole person by instilling discipline, accountability, leadership, resilience, teamwork, integrity, and respect. Through elite instruction, mentorship, and competition, we empower young athletes to excel not only on the court, but also in the classroom, at home, and throughout their communities.

We believe sports are more than a game—it's a platform to build confidence, shape character, and prepare future leaders for success in every area of life.

"Because the greatest victory isn't just becoming a better athlete—it's becoming a better person."

OUR MISSION

- ✓ Identify Potential
- ✓ Develop Talent
- ✓ Measure Improvement
- ✓ Build Character
- ✓ Inspire Leadership

OUR COMMITMENT

Building Better People.
Developing Better Athletes.
Creating Future Leaders.
Address the Game.
Elevate the Person.
Impact the Future.

★ THE THREE PHASES ★

PHASE 1: COMBINE — IDENTIFY POTENTIAL

Athletes participate in a professional-style sports combine to establish a performance baseline and evaluate their athletic potential.

ASSESSMENT AREAS

- Speed
- Agility
- Vertical Jump
- Strength
- Endurance
- Quickness
- Sport-Specific IQ
- Competitive Mindset

OBJECTIVE: Identify each athlete's measurable potential while establishing a benchmark for future development.

PHASE 2: SKILLS CLINIC — DEVELOP TALENT

Professional instruction strengthens athletic fundamentals while building confidence, discipline, leadership, communication, and teamwork.

TRAINING INCLUDES

- Ball Handling
- Shooting Mechanics
- Passing
- Defensive Techniques
- Footwork
- Position-Specific Instruction
- Decision Making
- Leadership
- Communication

OBJECTIVE: Develop talent through elite instruction, purposeful repetition, and individualized coaching.

PHASE 3: COMPETITION — MEASURE IMPROVEMENT

Athletes apply what they have learned in competitive game situations while coaches evaluate execution, decision-making, growth, teamwork, and overall performance.

COMPETITION INCLUDES

- Skill Challenges
- Team Competitions
- Controlled Scrimmages
- Coach Evaluations
- Live Performance Assessments

OBJECTIVE: Measure improvement through competition while reinforcing accountability, sportsmanship, confidence, and leadership.

BUILDING BETTER PEOPLE.

DEVELOPING BETTER ATHLETES.

CREATING FUTURE LEADERS.

OUR COACHES, YOUR ADVANTAGE

PERFORMANCE COACH

Builds confidence, focus, and mental toughness.

FINANCIAL COACH

Teaches money management, budgeting, and investing.

INSURANCE COACH

Provides knowledge to protect athletes and their families.

DRESS ATTIRE COACH

Guides athletes on professional appearance and personal branding.

PUBLIC RELATIONS COACH

Trains athletes in media, communications, and social media responsibility.

ETIQUETTE COACH

Teaches professional and social etiquette for success in all environments.

WELLNESS COACH

Teaches athletes that proper nutrition is just as important as training, helping them build lifelong habits for success on and off the court.

BUILDING CHAMPIONS FOR LIFE

Together, these coaches reinforce the SUIT-UP Global Sports philosophy that success is measured by more than athletic performance. We are committed to developing leaders with **character, discipline, integrity, confidence, and purpose**—because the greatest achievement is not simply becoming a professional athlete, but becoming a professional person.

“ We develop the professional person to create the professional athlete. ”
